

# Purnea College of Engineering, Purnea-854303

Programme for B.Tech 4<sup>th</sup> Semester Mid Semester Exam-2024:-

| Day & Date/ Time        |                     | Branch/Subject                   |                           |                                        |                                   |           |            |
|-------------------------|---------------------|----------------------------------|---------------------------|----------------------------------------|-----------------------------------|-----------|------------|
|                         |                     | Civil                            | Mechanical                | Electrical                             | E.C.E                             | C.S.E     | C.S.E(A.I) |
| 18/11/2024<br>Monday    | 10:30A.M – 12:30 PM | Societal & Global Impact         | -----                     | Biology for Engineers                  | -----                             | -----     | -----      |
|                         | 2:30 P.M – 4:30PM   | Structural Analysis              | -----                     | -----                                  | -----                             | -----     | -----      |
| 19/11/2024<br>Tuesday   | 10:30A.M – 12:30 PM | Introduction to Solid Mechanics  | Strength of Materials     | Signals and Systems                    | Analog Circuits                   | C.O.A     | C.O.A      |
|                         | 2:30 P.M – 4:30PM   | Materials, Testing & Evaluation  | Engineering Materials     | Electrical and Electronics Measurement | Analog Communication              | D.A.A     | D.A.A      |
| 20/11/2024<br>Wednesday | 10:30A.M – 12:30 PM | Disaster Preparedness & Planning | Fluid Mechanics           | Mathematics – III                      | Semiconductor Physics and Devices | O.S       | O.S        |
|                         | 2:30 P.M – 4:30PM   | Engineering Geology              | Instrumentation & Control | Electrical Machines – II               | Electromagnetic Theory            | D.M       | D.M        |
| 21/11/2024<br>Thursday  | 10:30A.M – 12:30 PM | Introduction to Fluid Mechanics  | Applied Thermodynamics    | Digital Electronics                    | Digital Circuits                  | D.E       | D.E        |
|                         | 2:30 P.M – 4:30PM   | Mechanical Engineering           | -----                     | -----                                  | -----                             | H.R.D.O.B | H.R.D.O.B  |
